WORK EXPERIENCE

Graphic Designer & Content Creator

2025

Cafeïna

For one of Cafeïna's electronic music events, I developed a cohesive visual identity that captured its energy and atmosphere. My role involved designing promotional materials, including posters, social media visuals, and motion graphics, all tailored to resonate with the audience. Additionally, I edited a promotional video to boost online engagement. Working closely with the team, I helped shape a distinctive and compelling visual presence, ensuring the event stood out in the vibrant nightlife scene.

Graphic Designer & Content Creator

2025

Louise-Antwerp. Meir 50, 2000 Antwerp

Creating a menu for Louise-Antwerp meant translating the boutique's upscale identity into a refined and visually appealing design. I focused on a sleek, modern layout that balanced elegance with readability, ensuring it complemented the brand's luxurious atmosphere. By working closely with the team, I crafted a menu that was both functional and visually engaging, reinforcing the boutique's sophisticated aesthetic in every detail.

Graphic Designer & Content Creator

2022-2023

Bar Vela. Kapellestraat 10, 2630 Aartselaar

Designing a menu for Bar Vela was all about capturing its modern and trendy atmosphere in a visually appealing way. I focused on a clean, stylish layout with careful attention to typography and color, ensuring the design enhanced the customer experience. The final result was a cohesive piece that aligned seamlessly with Bar Vela's identity and communicated its vibrant vibe.

2021

Lieve Van Immerseel

Working on a book for the KinderKankerfonds alongside Lieve van Immerseel required a delicate balance of sensitivity and impactful design. I focused on creating a layout that reflected the emotional depth of the subject, carefully selecting typography and imagery to enhance the storytelling while maintaining a respectful and cohesive visual identity.
